

## **Membership Offers**

### **Discounts**

If Chapter is offering any type of discount for new members at an upcoming event, the NEWH Office **MUST** be contacted with that information, explaining exactly what type of discount is being offered. The NEWH, Inc. CEO, COO, and CFO must approve all discounted memberships.

Note: Discounts should only be given to NEW members, not past members, and only for qualified General membership.

Note: All Membership dues are split between NEWH, Inc. and the Chapter. NEWH Inc.'s portion of dues is \$75 or 50% of chapter dues, whichever is larger, for general memberships. All discounts come out of the Chapter portion of dues, the NEWH, Inc. portion is not discounted. Any discount offered by the chapter will result in less reimbursement coming to the Chapter. Chapter level business memberships and associate memberships are split evenly with NEWH, Inc. and are not to be offered any type of discount.

### **Free Memberships**

If Chapter is offering any type of free membership as part of an upcoming event (such as a sponsorship that also includes a free membership), contact the NEWH Office with the individual(s) name and contact information. A completed application must be sent to the NEWH Office for any free membership(s) given within 30 days of the event. The Chapter is responsible for paying dues of \$75 or 50% of chapter dues, whichever is greater, to NEWH, Inc.

Note: All Membership dues are split between NEWH, Inc. and the Chapter. NEWH Inc.'s portion of dues is \$75 (or half dues, whichever is larger) for general memberships. Any discount offered by the chapter will result in less reimbursement coming to the Chapter. Chapter level business memberships and associate memberships are split evenly with NEWH, Inc. and are not to be offered any type of discount.
