**NEWH VISION —**  
THE Hospitality Industry Network

**NEWH MISSION —**  
NEWH is the premier networking resource for the Hospitality Industry, providing scholarships, education, leadership development, recognition of excellence, and business development opportunities.

An international nonprofit group founded in 1984, NEWH serves its members and the Hospitality Industry through scholarship fundraising, educational efforts, and information exchange. NEWH offers unique opportunities for business networking — including an international career network, online membership directory, online resource directory, NEWH Magazine, and sponsorship of leading industry expositions and conferences around the world — including Hospitality Design shows, Expo & Conference, HD Americas, HD Asia, BD|NY and HX: The Hotel Experience, BD|west, SLEEP and Decorex in London, IDEX Canada, and the NEWH Regional Tradeshows.

It's not only what you know and who you know, but who knows YOU ... get connected ... *join us!*

**NEWH Chapter Board Members** provide the leadership for their chapters to educate and strengthen their local hospitality communities. Being a board member is a very important role to the organization and these exceptional volunteers gain communication skills and friendships with high profile professionals. To be a chapter board member, you must be an active general member.

**GENERAL membership** is open to professionals who have been actively involved in Hospitality or a related field for one or more years. General members are entitled to full membership and voting privileges as outlined in the NEWH By-Laws.

**ASSOCIATE membership** is open to those industry members who have, within a twelve (12) month period, completed an accredited area of Hospitality-related studies. Associate members cannot hold an elected office, but are encouraged to serve on chapter board committees.

**STUDENT membership** is open to those who are attending any accredited institution in Hospitality or a related field. Student members will receive a one-year courtesy Associate membership upon graduation, in order to facilitate the transition to General membership.

**EDUCATOR membership** is open to those persons who are full-time educators for Hospitality Studies, to include Architecture, Asset Management - Hospitality Industry Studies, Culinary Arts, Environmental Design, Foodservice Management, Hospitality and Restaurant Management,

Hotel Administration, Interior Design, International Hotel Management, Nutrition Management, Tourism and Convention Administration, and Travel and Tourism.

**BUSINESS PLUS membership** is for companies with sales forces/offices across the country or around the world. It includes 20 members and up to 10 additional discounted memberships at half-off regular chapter dues. These memberships belong to the company, not the individual, and as staff changes are made within the business, the memberships can be changed to the new staff member as directed by the business.

**CHAPTER LEVEL BUSINESS and BUSINESS TOP TIER membership** is a perfect membership for those businesses that have more than one employee interested in joining a local chapter. These memberships are held by the Business, not by the individual member.

**RETIRED membership** is for the General member after retirement. The dues structure is reduced to make continued service possible.

**CORPORATE PARTNERS** — NEWH thanks our corporate partners for their vision, generosity, and leadership — together we will keep our ongoing commitment to scholarship, education, and a high standard of achievement in the Hospitality Industry. NEWH promotes its corporate partners with opportunities to include: articles in the NEWH Magazine; priority placement in NEWH Regional Tradeshows; NEWH Library Labeling program; priority seating at the major fundraisers across the country, in the United Kingdom and Canada; free memberships for employees; special listings in the International Membership Directory; Career Network ads; and free advertising opportunities in the NEWH Magazine.
