EXPERIENCE

Lauderdale Design Group | June 2022- July 2022

-practiced with a design team of three as the sole intern wearing many hats:

-communicated design ideas, proposed an art package, sourced materials and finishes, received quotes and

updated project budget for a hospitality project

-communicated with sales representatives and

coordinated the studio material library

Public Interiority Symposium + Exhibition:

Social Media Manager & Logistics Coordinator |

December 2022- February 2023

-collaborated with faculty member to develop a website, program, RSVP, and graphic

-participated in exhibition installation and communicated design intentions

-shared exhibitor's work daily to increase public knowledge and interaction

LEADERSHIP

Research Assistant | January 2023- present

-developed and produced a design research and case study on public interiority: observed atmospheric

'interiorist' conditions on site and documented conditions via photo-montage, model making, and empirical analysis diagrams

Teaching Assistant | August 2022- December 2022

-advised and communicated with 47 students

-assisted coordination of guest lectures from local professionals

Resident Assistant | August 2021- May 2022

-cultivated meaningful relationships with 36 residents through planned social and objective based programs

-acted as a peer mentor and connected students to campus resources

-handled conflict and mediation among residents, managed weekly administrative reports, and led the staff development committee

IA Collaborative Social Media Chair | 2022- 2023

-developed branding package and merchandise

-curated graphics for social media regarding upcoming events and student involvement

-communicated with executive board on programs and philanthropic events

IA Collaborative Representative | 2020- 2022

-collaborated with fellow officers to curate professional development programs

-communicated with students about how the organization could create beneficial educational and networking opportunities
