

CADENCE ZARVATSKI

Experience

Senior Design Intern

Renovate to Educate | Lake Mary, FL | January 2023 — April 2023

- Field-measured classrooms and interviewed teachers with specific storage and space planning questions to narrow down design problems.
- Converted field measurements into Revit and created both the existing & proposed classroom designs in program.
- Worked well under the \$2,500 budget (per classroom) and presented final designs to investors for approval.

Design Consultant

Matt Manning Surfaces | Orlando, FL | July 2021 – January 2023

- Created professional presentations to creatively communicate design intent and direction.
- Rendered floor plans and elevations for client approval.
- Created 3D models of interior spaces using rendering software.
- Assisted clients successfully by choosing materials consistent with preferences and budget.
- Calculated waste & measurements using MeasureSquare8 for wood, LVP, carpet and tile.

Sales Consultant

The Tile Shop | Orlando, FL | November 2019 - November 2020

- Assisted teammates with sales-processing tasks to meet daily sales goals.
- Developed trusting relationships with customers by making personal connections.
- Helped customers find specific materials, answered questions, and offered thorough product advice.
- Built and maintained relationships with peers and upper management to drive team success.
- Sold tile and natural stone by explaining unique features and educating customers on proper applications.
- Increased purchase amounts by selling add on products such as grout, thin set, and stone sealer.

Design Assistant

Stevens Kitchens | Oviedo, FL | August 2017 - April 2019

- Gathered price quotes from contractors and vendors.
- Grouped finish selections and prepared professional design boards for client presentations.
- Researched fixtures and furnishings aligned with project requirements and design style.
- Prepared and updated cabinet drawings using 2020 Design Technologies.
- Worked with client via email, phone, and in-person to collect information to complete designs.
- Lead material selection sessions by guiding clients through the entire design process.
