PROFILE

Registered Senior Interior Designer with 17+ years of experience providing captivating and innovative design solutions for hotels, bars and restaurants, luxury multi-unit high rise condominium and apartment buildings, workplace amenities, senior living facilities, and spas and resorts in Mexico and Latin America. High-profile clients include Nationwide Realty Investors, Oxford Capital Group, Archstone, Noble Investment Group, Hilton, Marriott, Hyatt, and IHG (including Tapestry, Westin, DoubleTree, Embassy Suites, Crowne Plaza), and boutique hotels.

EXPERIENCE

SENIOR INTERIOR DESIGNER / GENSLER

2022 – 2023 / VANCOUVER, BC

- Developed conceptual designs, space plans, and designed custom millwork.
- Created digital design presentations and maintained FF&E budgets.
- Coordinated with architects, purchasing agents and manufacturers.
- Provided mentorship to less experienced designers and participated in design and performance reviews.
- Researched the local market and potential clients for new business development opportunities.
- Fostered and maintained relationships with clients.

SENIOR INTERIOR DESIGNER, JUNIOR ASSOCIATE /

HAGER DESIGN INTERNATIONAL / 2017 – 2022 / VANCOUVER, BC

- Lead the development and coordination of projects varying in size and scope for multiple projects simultaneously.
- Managed team members and reviewed construction drawings and furniture specifications.
- Lead coordination efforts with consultants and AOR's.
- Created conceptual designs and colour palettes; produced and presented digital design presentations for clients.
- Worked closely with Brands on implementation of improvement strategies.

Project Highlight: [Hilton North Scottsdale at Cavasson](#)

SENIOR INTERIOR DESIGNER / DESIGN ATELIER

2014 – 2017 / SAN RAFAEL, CALIFORNIA

- Established project conceptual design direction as a response to the client's goals and objectives.
- Oversaw designs from concept to construction for both renovations and new-build hotel projects.
- Generated and reviewed construction drawings and furniture specifications.
