OBJECTIVE

As a Project Manager and an Interior Designer, my objective is to conduct the new or remodeling projects operations by managing staff, coordinating the process, and ensuring exceptional customer relations. I aim to create a positive and productive work environment by communicating with team members, setting clear goals, and monitoring performance.

EXPERIENCE

- **Project Manager/Interior Designer – LV Home Concept (2023 – Current)**
Responsibilities: creating a functional 3D design for home remodels and new homes, estimating the project cost, conducting material procurement, managing the team to conclude the project successfully, and providing client customer service.
- **Project Manager/Interior Designer – Adjective Interiors (2021 – Current)**
Responsibilities: creating a functional 3D design for interior spaces, estimating the project cost, conducting material procurement, managing the team to conclude the project successfully, and providing client customer service.
- **Millwork Estimator – CMD Cabinets, Millwork and Doors (2021 – 2022)**
Responsibilities: estimated the cost of architectural millwork and custom cabinets for residential and commercial based on architectural plans.
- **Project Coordinator – Encore Upholstery and Design (2016 – 2020)**
Responsibilities: created 3D custom furniture designs and interior spaces, managed material procurement, coordinated the team on site for custom furniture, upholstery, carpentry, finishing and deliveries, and provided customer service.
