PROFILE SUMMARY

Passionate and dedicated professional with a strong work ethic and enthusiasm for connecting with people and telling stories through meaningful design. My goal as an interior designer is to create thoughtful spaces that foster emotional connection and well-being. I am seeking a challenging role where I can contribute strong communication and collaboration skills, grow professionally, and make a lasting impact through the environments I help to create.

WORK EXPERIENCE

Seminole State College

English as a Second Language Adjunct Professor / 2016 - 2023

- Taught ESL classes to U.S. immigrants across all proficiency levels: beginner, intermediate, and advanced.
- Designed and developed instructional materials covering all core English skills, including speaking, reading, and writing.
- Engaged and supported students in integrating into society by facilitating practical, real-world activities.

University of Central Florida

Graduate Teaching Assistant / 2015 - 2016

- Assisted a professor in teaching English for Academic Purposes (EAP) as part of Global UCF, a program designed to support international first-year students in adapting to academic education in the U.S.
- Collaborated with faculty to develop course syllabi, lesson plans, and class activities; supported grading and instructional planning.
- Independently taught two EAP classes while continuing to assist other professors during office hours.

ELS Language Center

English Instructor / 2010 - 2014

- Taught General and Academic English to adult international students aiming to improve their English proficiency for personal, professional and academic purposes.
- Served as Academic Director for multiple international camps hosting over 300 teenage students from more than 20 nationalities and oversaw teacher training, curriculum development, and the management of class schedules.

Walt Disney World

International College Program Intern / 2005 - 2006

- Completed two internships gaining hands-on experience in guest service, operations, and team collaboration at Mission: SPACE and Test Track attractions.
