- Awarding 2 scholarships honoring our brands involvement; NEWH BrandED Scholarship in the name of IHG and Marriott
- Currently pursuing additional brands to participate in the BrandED program
- This year has been great; grassroots program
- Held three BrandED events in 2018
- BrandED has the potential to possibly hold up to 1 session per month next year
- Goal is to hit every chapter
- Interested chapters can send specify 3 months they'd be interested in holding a BrandED chapter event; contact Debbie McKelvey with interest: <u>debbiemckelvey@bernhardt.com</u>
- Call for sponsorship has been sent out (exclusive invites for vendors who are sponsoring)
- \$2,500 sponsorship (total of 5)
- Sponsors are paying to cover the cost of the event; we are also trying to grow funds to provide scholarships and additional internship opportunities
- BrandED allows you to educate members within your local chapter about the brand
- Ticket price goes into chapter scholarship fund to be given in the brands name
- Sessions are targeted for designers, architects, procurement
- Its key is to involve membership and future partnerships we're not trying to exclude manufacturers explain sponsorships to your manufacturers
- If you need assistance explaining who BrandED is open to reach out to Debbie or Trisha: debbiemckelvey@bernhardt.com
- trisha@designpoole.net
- Great for designer/brand interaction

### Comments:

- Working with Tribute lifestyle brand and Sheraton at Leadership Conference. Fast moving project stay tuned for future details

### **Trudy Craven comments:**

- NEWH is a special organization; thank-you for letting me be here
- Contact Inc. office or view board report for chapter strategic planning schedule/questions

## NEWH Awards Meeting Discussion-Trisha Poole:

- NEWH Awards retreat held in July with Executive Committee, Mary Scoviak (Boutique Design), Corporate Partner Gretchen Gilbertson (Séura)
- Reviewed NEWH awards to determine where everything is at, what needs to be changed, next steps

## Leigh Mitchell comments:

- Goal was to analyze all NEWH awards
- Part of the NEWH mission is recognition of awards
- Top award is the ICON given to a manufacturer involved in the industry for 30-years
- Award of Excellence (Pinnacle Award); very prestigious
- The goal is for everyone to have a good understanding of each award and ensure recipients receive the attention they deserve when receiving their award
- Chapter level: Joyce Johnson Award, chapter can award on a yearly basis, some chapters award every year others seldom award at all
- See board packet for a list of all awards or go online: https://newh.org/about-us/awards/
- Discuss with your board award details
- Recognize the awards that are out there and make use of them
- Being a non-profit we can give people psychic income by giving accolades and letting them people know how greatly appreciated they truly are
- Held a discussion on service awards; how do we recognize them, etc.
- NEWH Fellows is new level of membership and recognition
- At the last board meeting we agreed to begin a new membership (Fellows)
- The first induction of Fellows will be take place in February 2019 in Miami during the NEWH Leadership Conference
- Fellows requirements are similar to Pinnacle Award
- Please let us know if you have someone in mind to nominate: leighmitchell@mza-usa.com info@newh.org

### **Questions:**

- Is there a limit how many names can be submitted each year for Fellows nomination?
- Total number of inductees will be no more than 20 for the first year, upcoming years no more than 10
- You can be self-nominated
- Who votes on the Fellows nominations?
- With the first-time induction the Fellows committee will vote: Cindy Guthrie, Leigh Mitchell, Helen Reed, Trisha Poole and Fernando Diaz; after

that the Fellows will select their own committee to vote

• There is a point system criteria when selecting individuals

### NEWH TopID Discussion-Trisha Poole:

- Great membership 280 business members, 320 with corporate partners
- Excellent TopID recognition and events
- Nomination process now streamlined with online nomination forms
- Feedback is being received and it's valued so please keep it coming especially if there are problems at the chapter level
- Thank-you to chapters for supporting the NEWH TopID initiative; your support and involvement is key to future success
- Thank-you to Swarovski Crystal and Hubbardton Forge for the beautiful awards
- NEWH website is up to date with criteria and forms: https://newh.org/resources/top-interior-designers/

### Comments:

- Contact Diane Federwitz, NEWH, Inc. office: <u>diane.federwitz@newh.org</u>
- Diane will share feedback with the awards committee

### Lodging Program Discussion-Leigh Mitchell:

- Developing and implementing a lodging program between hotel brands so that NEWH members can receive hotel discounts
- The idea is to have a hotel network and obtain discounts
- This is a new project; one concern is if NEWH members will still receive their hotel points with the discount
- Hoping for chapter level involvement
- Would like to grow the program as big as possible

- Register now before the price increase: https://newh.org/2019-leadership-conference/2019-leadership-conference-attendee-information/
- Anything you or your chapter can do to market the conference within your region is of great support (Sunshine is taking a group of people by bus)
- Add both names for hotel reservations and two beds so that a double room can be authorized; then call and add names so the room is booked correctly
- Expenses are based on double occupancy
- It's important to stay at the host hotel; easier access for networking
- We needed to add a substantial block of rooms so please support our efforts through the host hotel

### Northwest Chapter comments:

- Northwest shared ideas how to increase membership and attendance
- Hotel Tours are popular, so to drive attendance and involvement committee members provide a personal outreach to design firms; encourage non-member attendance
- Membership table at every event (no discount) but it's a table for solely talking about membership; the personal touch adds human element and is a good conversation starter
- Trudy Craven helped us to identify areas where we were lacking during a strategic planning session
- Determined to do away with the membership drive; factors were we never got anything out of it and it took a lot of time for committee and chair to arrange

- Chapter changed focus to have a membership table at every event
- Membership and Programming Directors work together throughout the year
- Share your success stories and attend the offered quarterly discipline calls; we're all in this together and can learn from each other
- It's imperative to go after business memberships
- Prove value to Principals educate them on why they need to support and encourage employees to participate in events and be involved with their local NEWH chapter
- We've seen a bigger push in ownership and committee involvement

### Comments:

• Washington DC chapter took their membership drive directly to the firms, showed Inc. scholarship video, signed up forty new members that day, educated them about NEWH

### 2019 BOARDS

- **Mandatory Discipline Calls** Be sure your entire voting chapter board members participated in a mandatory call for their position. If they have not, please ask them to follow up with the NEWH Inc. office for one-on-one training.
- **Board Changes** If your board has any changes or new has newly appointed directors or chairs, please be sure to alert the NEWH office as soon as possible so the office can update the database and the new individuals are pulled for conference call invites, important board information, and show upon the website in your board roster.
- Quarterly Calls the quarterly conference call schedule was sent to all board members mid-January; the schedule can also be found in the board resources section of the website. The first calls will take place in February. Please **encourage all board members to participate in these calls**. There is a wealth of information shared during these calls and so much is learned when you talk to other chapter board members who share your same position. If you are not attending these calls, you are missing out!
- Does your board have the resources and information available to have a successful year? Do all board members know exactly what is expected of them in their position? Encourage your board members to utilize the Board Resources section online for templates and helpful resources to help them in their position. If you appoint new directors/chairs throughout the year, share the job description with them that can be found in the Board Resources (note: you must be logged in to the website in order to see the NEWH Board Resources menu item on the bottom of the page – if you have problems logging in, please contact Diane at the NEWH office to reset your login). The job descriptions are very helpful for those serving on the board, as well as if you are recruiting for an empty board position.
- **Chapter Business Plan** The business plan is a basic roadmap for your chapter as you plan for this year. Use this in your strategic planning meetings. The business plan is due to the NEWH Inc. office by the end of February.
- **Delegate Reports** do you see a delegate report from your chapter in this packet? If not, be sure your delegates are completing the reports and turning them in by the deadline!
- **Chapter Budget** All budget templates have been emailed out. Start putting 2019 budget together so they can be reviewed and approved during your next board meeting. Chapters should not be spending any money until there is an approved budget in place. If there is not an approved budget in place, all expenses must be voted upon until the budget is approved. Remember, it is not up to just a few board members to create your budget, each director should be turning in their budget according to their discipline to the chapter treasurer who then includes in master budget. If there are any questions regarding budget dollars, please reach out to Susan Huntington in the INC office.

### MEMBERSHIP

**Dues Renewals** - Many members have a due date in January. At the end of January, you may have seen a significant drop in your member numbers if members have not renewed. Be sure to look over your chapter dues report (which is emailed to all board members). Divvy up names on the report and contact directly those members who have recently lapsed or those whose dues are coming up. Remind them to renew online, and also invite them to your upcoming events. People are much more likely to renew after personal contact than from a reminder email from NEWH, Inc.

- You also may notice on the January and February Dues Report a decrease in your student members and an increase in your associate members. Student members who graduated in 2018 will receive a courtesy associate membership in 2019. Now's the time to contact these members to be sure we have their correct contact information!
- New Members many chapters have membership drives at the beginning of the year. If your chapter is having a drive and offering any type of discount for new members (and only new members, discounts are not applied to past/renewing members) PLEASE be sure to let the NEWH, Inc. office know of any discounts being offered. If you are collecting applications at your event, be sure these applications are approved in a timely fashion by board and send to NEWH, Inc. to process. People are most enthused and excited right when they join, they do not want to wait more than 30 days before hearing anything from your chapter. Be sure to send them a welcome email upon approval and let them know of upcoming events. This is also a great time to ask them to volunteer in your chapter and to be part of a committee!
- **Discount/Free memberships** If your chapter offers a free or discounted membership, please remember that you are responsible for the \$75 Inc. portion of the dues. Please be sure to provide all applications to the Inc. office in a timely manner.
- Attracting New Members / Retaining Members Are you planning 2019 events that are inviting and intriguing to members and potential members to attend? Remember everything revolves around programming. If your programs are content rich, people will want to attend. Not sure what members are looking for? Conduct a member interest survey and ask your members what they would come to and what would make them join (contact Diane at the NEWH, Inc. office to set this up).
- **Welcome** new members on Facebook or include a new member spotlight on your chapter web page (just send information you'd like on your website to Diane at the NEWH, Inc. office). Introduce new members at your next event. Make new members feel welcome!

## **EVENTS**

- **Event Calendar** As soon as you have solid 2019 calendar dates for your events, please be sure contact Diane at the NEWH Office to add to your website calendar. Many individuals from others areas plan their travel around other chapter events that they could attend. These website calendar dates are also the dates pulled to include in the NEWH magazine so please be sure your calendar is correct.
- **Programming/Fundraising Events** to avoid board burnout, focus on a few high quality events instead of many events. Fill in the other months with simple sundowners or no host/no sponsorship networking events at local establishment that perhaps were newly renovated see if they will offer tours. Please remember that NEWH is not in the business of throwing parties. If you are planning a 'gala' or 'black-tie' event with a high ticket price, your event will be slated as a fundraiser and will be expected to bring in 25-40% net proceeds from the event. If you are planning a program with a moderate ticket price (\$30-\$40) be sure your event has a programming aspect to it (tour, panel discussion, speaker, etc.).

- Email Broadcasts Please be sure to allow two (2) to three (3) days MINIMUM to process your email blast requests. Event broadcasts are done on a first come first serve basis, so if a chapter requests their broadcast in a timely manner, it will be done before any last minute requests.
- **Corporate Partner banner:** The 2019 Corporate Partner banner will be shipped to each Chapter President/Regional Steering Committee chair within the next few weeks. The CP banner needs to be at all events.
- **Raffle:** Prior to fundraising or raffle activity, check your local and state laws and regulations-keep your chapter in compliance. Please contact Nicole Crawford at <u>Nicole.Crawford@NEWH.org</u>
- **Sponsorships** For fundraising events or limited tickets events especially it is great to allow NEWH Corporate Partners first chance at sponsorship. Please email info to jena.seibel@newh.org and Jena will email it to the contact list of partners. Ideally this is sent out a few days prior to it going to general vendors.
- **Do you know someone not receiving emails?** Let Diane know she can track the individual email address to be sure it has not bounce or been unsubscribed.
- **2019 Regional Tradeshows** the schedule is as follows: Miami Product Showcase – February 7, 2019; Denver, CO – June 27, 2019; Chicago, IL – August, 2019 (date TBD); Minneapolis, MN – September 12, 2019; Seattle, WA – September 24, 2019; San Francisco, CA – October 16, 2019.

## **SCHOLARSHIP**

- Scholarship applications: Students may apply online or submit a PDF application by mail or email for NEWH Chapter scholarships. Chapters select when to distribute, collect and award annual scholarships. Connect with students and colleges to determine promotion and deadline dates. Update your college list annually to ensure scholarship announcements are communicated appropriately. Ask vendors who travel to make school visits, meet with student groups or drop off flyers.
- **Recruit committee members**: Form a scholarship committee to assist with updating college contacts, school visits and reviewing applications.
- **Students are our future:** Students and full-time educational professionals can join NEWH for FREE! Students may apply for NEWH Chapter scholarships <u>and</u> NEWH, Inc. scholarships. Find student representatives to serve as liaisons to colleges in your territory to promote scholarship, membership, chapter events and mentoring to student groups and educators. Engage past recipients to serve on the board or a committee.
- Awarding scholarships: Awarded scholarship funds must be made payable to the students' college and mailed directly to the college (never to the student). Ensure applicants have applicable debt through their college for tuition or program approved books/supplies; if this is not clear verify details with the student prior to awarding. Fundraising dollars raised this year will be applied to the following year's scholarships. Awarded scholarships should not exceed 50% of the scholarship account. Submit your Scholarship Check and Report Form to NEWH, Inc. office within 30-days of selecting your winners.
- **Engage students:** Invite students to speak, present, or have a special part in all of your events. At your event check in table have a small sign listing your latest scholarship recipients, ask students to help with check-in.
- **NEWH Scholarship Video**: Utilize the NEWH Scholarship Stories video (extended or 1-minute trailer) at your next event (see user guidelines). Intro the video with this quick message:

NEWH was founded in 1984 by a group of visionary women who developed the idea that those who had established careers could lend their support and share their experiences with those just entering the field.

Through the generosity of our members and sponsors, NEWH is able to fulfill their core mission which is to be a networking resource for the hospitality industry, to provide scholarships, education, leadership development, and business development opportunities.

That vision from 1984 and your support has now awarded over \$6 million in scholarships to date, helping students like these.

Ensure your audience understands what's behind our name; promote the NEWH story and mission.

**Capture more stories:** Video your scholarship winners at the event, through an on-site interview, or video their parents/guests/ educators at your event. Ask the students professor to announce the scholarship in front of class and record the footage. Contributions will help build future scholarship videos. Submit your videos, images to <u>nicole.crawford@newh.org</u>

### WEBSITE/SOCIAL MEDIA:

- Please review your chapter pages on the website. Your chapter board is responsible for making sure your chapter pages are up to date. If you'd like different banner photos, send them in! Remember: Your chapter-landing page is the first place someone visits to find out about your chapter so sell your chapter here! Why should someone join your chapter? What do you have to offer? What exciting events are you planning? Want to share how successful an event was or market an upcoming event? Send us your requests and make it exciting! Visit your pages often to make sure they are up-to-date – the more current your pages are, the more visitors you will have on your site. Forward any chapter page updates/requests to Diane Federwitz.
- **Facebook**: Each chapter has their own Facebook page. Please be proactive and keep your FB current with chapter happenings. If you need to add an editor to your page, any current editor can do that – on the Settings/Page Roles section of your chapter Facebook page. The password it asks for is your own personal Facebook password (there is no special password for your NEWH chapter pages).
- **Instagram**: If your chapter has an Instagram account, let Diane know your account name/password. She can add the Instagram link to the bottom of your email broadcasts. Please see the board resources/marketing section for updated Instagram guidelines.
- **LinkedIn**: Chapters can establish their own LinkedIn account. Please send admin access to NEWH, Inc. office to have on file in an event the chapter admin is unavailable/unreachable.
- Twitter: NEWH Inc. has one main Twitter account. The Twitter account is linked to all our chapter Facebook pages, so as event notices are broadcasted out, they are automatically posted on chapters' Facebook pages which are then linked to the one NEWH, Inc. Twitter account and tweeted.

### MEMBERSHIP

We've had 32 new members join our chapter in the past quarter including both students and general members. 9 student members, 10 general members, 1 corporate partner courtesy member, 3chapter level business members, 3-chapter business courtesy members and 6 business plus courtesy members.

### PROGRAMMING

Programming held its last event in September, so over the last couple of months we have been focusing on building our committee and planning for a successful and educational 2019. One new item for us in 2019 will be to host the event that honors the Top ID winners at a Programming event, rather than Fundraising. We are excited to incorporate this into our event!

### **SCHOLARSHIP**

In October we held our second annual Masquerade Ball where we introduced our Scholarship Recipients to our chapter. Two of our scholarship winners will be attending the NEWH Leadership Conference! As a chapter we awarded \$55,500 in scholarships this year to 11 students. Recipients included designers, hospitality management and culinary students.

## CINCINATTI REGION

SCHOLARSHIP

Scholarship committee visited 7 schools to promote scholarship applications. We awarded eight students a total of \$27,600. We had 40 applicants from 15 different schools. (Up from 26 in 2017 and 33 in 2016). Several of the chapter scholarship applicants also applied to national competitions as well. Our portfolio review was moved to March 2019 due to a scheduling conflict

### FUNDRAISING

Our fundraiser which incorporates a winter holiday gala, scholarship and TOP ID awards ceremony sold out with 280 people attending. It earned more than a 40% in profit and totaled more than \$60,000 in revenues. These improvements were due to better and earlier fundraising efforts as well as having an established event year after year to market

### **OTHER CHAPTER HIGHLIGHTS**

We continue to be healthy financially Admin - \$116,117.43 Scholarship - \$85,567.51

### **CHAPTER/REGION GOAL**

To grow the fundraiser Awards Ceremony that includes top ID. This year we had 5 applications and sold out our tables.

Fundraising - At the end of October, the Chicago chapter held their second ever Masquerade Ball fundraising event. It was very successful financially and well attended. At the event, we recognized the scholarship winners as well as the TOP ID winners. The fundraising team is in the process of planning the three large fundraising events for 2019 including KingPin Bowling, Summer Social and Masquerade Ball. Each event brings together hundreds

of people in the hospitality industry and it is a great opportunity for networking. We are very excited for 2019 and the events to come!

### **OTHER CHAPTER HIGHLIGHTS**

Our Fundraising events this year continued to grow in profit, which allowed us to give away the highest amount in scholarship yet for Chicago - \$55,500!

### **CHAPTER/REGION GOAL**

Discover new ways to recognize our scholarship and Top ID winners. In the past, we have done both at our Fall fundraiser, but we feel we can find a better time to be sure they are given the recognition they deserve!

### PROGRAMMING

Events will be held in February, April, September and December. Each event will be unique such as a tour or educational guest speaker, with or annual holiday tour at the end of the year.

### SCHOLARSHIP

Our event is scheduled for May. Exact venue details to follow, sponsorship levels have been set and will be on our chapter's sushi menu to be issued any day now. The team is working hard to make this an unforgettable moment for all.

### FUNDRAISING

We will be having a masquerade ball in October. The fundraising details have not yet been finalized, though sponsorship levels and venue have been.

## OTHER CHAPTER HIGHLIGHTS

I'd have to say our board. When working on the slate for 2019 we had some hard discussions and ended up with a wait list.

### **CHAPTER/REGION GOAL**

We would like to correct those mistakes and set standards to be more respectful when asking for their donations. We will be requesting face to face meetings to request participation instead of a blanket email, for our dedicated top sponsors. This has been done sporadically but should be a common practice. Additionally, we are working towards getting the A&D community to sponsor events, not just reps and manufacturers. Our E3 events seem to be a good fit to help us achieve that goal.

### **OUR CHAPTER/REGION WOULD LIKE HELP WITH**

We do have some great suggestions concerning the Top ID competition!

- Working on getting previous scholarship winners to submit a video about their story and how NEWH has helped them and their career.
- Our first food drive event last year was so successful, we have hopes to double our donations this year and have even more participants.

## ISSUES THAT YOUR CHAPTER WOULD LIKE HELP WITH

- Developing strategies to increase our membership and retaining members.
- Work with National to bring the BrandED event to Houston.
- Ensuring smooth transition for new incoming board members. We expect the need to host another board training being that there will be several new incoming board members.

Staff note: If you are interested in a BrandED event, pleases contact Debbie McKelvey at DebbieMcKelvey@bernhardt.com. Please have your new board members contact the NEWH office if they missed the mandatory calls and need a walkthrough of their position. We are here to help! We can also do a 2-hour webinar with the board which goes over NEWH mission, board positions, the basics of NEWH- similar to what the first part of in house board training covers. ## PROGRAMMING

- Board members are assisting in "marketing"/spreading the word about events on a consistent basis to increase interest/attendance. Touring interesting new facilities created by our local design firms is key to achieving attendance.
- 2. We have begun requesting sponsorships for all events including Thirsty Thursdays, which have been successful thus far including our Board Installation event. 3. Finding hot new venues to showcase and tour is helping increase attendance.

### SCHOLARSHIP

- 1. Our next Scholarship event is scheduled for February 2019. This will include an interactive pizza party to spread awareness for our NEWH Las Vegas scholarships.
- 2. Applications and requirements will be available at this event to be held at the local university UNLV, and Community College as well.
- We received many applications in these fields: Culinary Hospitality/Hotel Administration/Management – Interior Architecture Design/Architecture
- 4. As of December 2018 there is \$149,593 remaining in our scholarship account.
- 5. Goal for 2019: Post scholarship information in all the school advising centers and main offices for more exposure & make it to more class rooms at UNLV and Art Institute for quick presentations.
- 6. We will honor 2019 scholarship recipients at our Glamping Event and at an Awards cocktail reception Las Vegas Chapter-

### MEMBERSHIP

Memphis/Mid-South regional group membership: We currently have 123 members with the following breakdown: 31 General 7 Associate 9 Business 8 Corporate Partner 4 Education Professional 64 Student It has been approximately 1 year since our kickoff party where a 50% discount was given so the membership committee is working hard to follow up with all members with overdue renewal fees. We are looking at ways to "add value" to membership in order to promote membership renewals. We are considering door fees at tours and other events for non-members.

### PROGRAMMING

This year started with an incredibly successful Hotel Tour with approx. 80 in attendance. We also held 2 Sundowners (June & November) that attracted smaller groups but were still successful networking opportunities. In October, we hosted the BrandED Tru by Hilton. Door fees went into our scholarship fund for 2019. In December, we hosted a Holiday Party to award our first Chapter Scholarship as well as award our TopID winners. Our next event is a hotel tour planned for the first quarter of 2019.

### SCHOLARSHIP

Memphis/Mid-South was able to award our first scholarship to a University of Memphis/Kemmons Wilson Hospitality School student, Elizabeth Ealy, in December 2018. We are looking forward to presenting another scholarship in 2019.

### FUNDRAISING

Memphis/Mid-South is not yet required to do any fundraising until we become a full chapter, but we have already been thinking of ideas for a fund-raising event once we are required to do so.

## NEW ENGLAND REGION

Tyler Toothaker, steering committee chair

### MEMBERSHIP

Our New England NEWH Chapter currently has 146 in our membership. Suggestions for increasing and also retaining membership in 2019: 1. Allow memberships to be purchased in 3 year blocks if the member wishes to. I have posed the question to several who renew, and ALL were in favor of this. 2. Have staff of NEWH from the adjacent regions at each trade fair BD West, HD,

### FUNDRAISING

- 1. We are busy planning and getting our venue secured for our 2019 event Glamping in Zion National Park area resort. We estimate over 300 in attendance this year.
- 2. We will continue making HOSPYs a primary fundraiser for 2020. Our second fundraiser will be our Glamping event slated for summer 2019.
- 3. We have been requesting sponsorships for every program event so the event costs are covered. In 2018 we were very successful with this approach and we anticipate 2019 to be successful at reaching sponsors as well.

### Other Chapter Highlights

We are working hard on Glamping and have our first Patron sponsor before we even have promoted the event! We are excited to see the tremendous attention this event is unraveling.

### **Chapter/Region Goal**

Continue to reach out to more students and create awareness for the scholarship opportunities we provide. Including culinary students.

founded October 1984

### **OTHER CHAPTER HIGHLIGHTS**

Memphis/Mid-South region has had a great year full of support from many local reps and vendors. We have had full support from our local University (University of Memphis) and we are really looking forward to continuing this relationship with them moving forward. We have truly had some overwhelming turnouts to our events in 2018 and expect to have even more enthusiasm in 2019. Our year started out with a bang and we fully plan to continue our momentum this coming year.

### **CHAPTER/REGION GOAL**

Our group would like to get more people on board and involved with our local steering committee and also become even more organized for 2019 as we now have further experience in planning events, holding meetings, and all other activities.

### OUR CHAPTER/REGION WOULD LIKE HELP WITH

Our region would like help with Increasing membership. Ideas on how to promote the benefits of membership. Advice regarding membership drives vs member appreciation parties. Increasing attendance. We want to provide quality events: tours, panel discussions, etc. We feel that CEUs are not as important to our membership base, but is there a way to survey the membership to find out for sure? Is it possible to survey the membership to see if events during lunch hour vs after hours is more appealing? Staff note: Yes! Contact Diane at the NEWH office – we have a survey template you can start with, revise/tweak as you wish, and we'll send it out to your members and give you a link to see the results. and BDNY. 3. Provide regional communication to AIA members for possibly joining NEWH. 4. Develop a budget for regional advertising through colleges and universities about the values of joining NEWH as a student.

Staff note: Although NEWH does not offer a multi-year membership block, we would instead encourage your members to sign up for auto-renew for their membership dues in order to retain

them as members from year to year. Visiting schools is an excellent way to attract student membership! Enlist past alumni of these schools that are members to make a visit and hand out info. NEWH, Inc. has a booth at BD West, HD, and BDNY with IBOD meetings at HD and BDNY. There are volunteer times for the booths.

### PROGRAMMING

As the 2019 starts, we would like to do more fun, and pop up shop like, happy hours to get more of our new England chapter states to join. Our goal would be to stick to our normal happy hour schedule, bowling event, 2 hotel tours (with plans of getting into the newest and greatest hotels in Boston (Four Seasons/ One Dalton and the Encore casino). We would also like to incorporate an event into Portland, Maine, Hartford, CT, and Providence, RI to get some of those chapter members to show up! We are still strategizing some silent auctions/ raffles, to get money for our scholarship students.

### SCHOLARSHIP

The New England chapter awarded two \$2,500 scholarships in 2018 to Valerie St. Louis, studying Culinary Arts at Southern Maine Community College and Emily Shaw, studying Interior Design at Endicott College. Since we are such a young and small chapter it has been a challenge to find students that are eligible and who are willing to take the time to fill out the necessary forms to be considered for the scholarship. Nonetheless we are excited to offer these scholarships and meet new students in our community every year. Our chapter is hoping to award more money this coming year,

## NEW YORK

### MEMBERSHIP

This year we will be continuing our focus on increasing membership numbers, while following up more with renewals. Last year we made an extra effort to welcome new members at our events by having greeters and nametags, the new member nametags contained happy faces for easy identification, we will continue this practice this year. Another exciting goal for this year is to increase the number of new member events and formats. The formats will include Happy Hour, Luncheon and Information sessions. This year we also enlarged the committee to further increase participation, bring value, and share information. Lastly, we will be emphasizing membership benefits more clearly so everyone can understand the features and benefits being an NEWH member.

### PROGRAMMING

Our Toasty Tuesdays are continuing to have a great turn out, for example the December was held at the Moxy Downtown, recently completed by Stonehill Taylor. The turnout was one of our biggest ones yet, with a focus on making cards for City Meals. Toasty Tuesdays are held on the third Tuesday of every month and regularly have anywhere between 75-130 people attend, refer to NEWH's website for dates and locations. Also last year we had a Scholarship Recognition Event during one of our Toasty Tuesdays; where we highlighted the student winners of 2018. It was held at the Assemblage in FIDI, the space was recently completed by Meyer Davis. The board's biggest problem is being able to secure space for the amount of people we have. If anyone in the NEWH community is working on or has recently worked on a project in NYC, we would love to show off your work if you can put us in touch with the owner, GM, F&B, etc.! We'd also love to have more non-hotel spaces within the hospitality community!

### SCHOLARSHIP

This year we were able to award 13 well deserved students with scholarships totaling over \$50,000. On top of that we are proudly supporting two of our scholarship winners to attend this year's

and attract more student interest to our scholarship and chapter events.

### FUNDRAISING

Our 5th annual Sun Set Cruise in Boston Harbor, taking place on the Seaport Elite is scheduled to be our 2019 fundraiser. Annually this is our most desired event for members and sponsors and this year we are looking to take it up a notch. Offering more member benefits and increasing the sponsor spotlight, all the while growing our fundraising dollars. More details to come following our February Board Meeting.

### **OTHER CHAPTER HIGHLIGHTS**

We have a great influx of fresh blood on the New England Team – all members fully engaged and taking ownership for responsibilities. No longer having board members "along for the ride". 2019 & 2020 are going to be the best years for NEWH New England since 2013 when I became a member.

### **CHAPTER/REGION GOAL**

A goal for our chapter this year is to have increased profits for all our events, breakeven is no longer acceptable. as well as growing our Membership to 175.

Leadership Conference. Our goal for the upcoming year is to visit more schools and educate students about NEWH to get more applicants for our scholarships. We aim to give out larger scholarships in an effort to create even more of an impact to support our students. We really would like to look into expanding our scholarship outreach for 2019 and encouraging a larger scope of students (design, hospitality, hotel and culinary-based) to apply for the coming year.

### FUNDRAISING

2018's Owners' Roundtable was a huge success! With 24 owners and 255 participants, we raised over \$45,000 in scholarship funds. Product Runway our second fundraising event held around BDNY, was also a huge success raising over \$60,000 in scholarships and 350 people in attendance. Make sure to mark your calendars for Owner's Roundtable on June 5th 2019 and Product Runway on November 10th 2019. Refer to the NEWH website in the coming weeks for sponsorship opportunities.

### **OTHER CHAPTER HIGHLIGHT**

As a board we are trying each year to get closer and work together to understand each other's roles. This year we are mimicking the NEWH Corporate Board Retreat to do our own internal retreat. This was a huge help last year and intend to do it yearly; especially since not everyone can attend or is new to the board. Also as a board we've put a strong effort into developing on our committees and showing how new and existing members can help out the board.

### STATE AT LEAST ONE GOAL FOR YOUR CHAPTER THIS YEAR

I think this year and every year our goal is to raise more money for scholarships and educate our students on the industry. Another goal for 2019 is to hold more student related activities for both them and the NEWH community.

SCHOLARSHIP – Portfolio Event

- We will hold our 2019 Student Portfolio Review event on March 12th to be held at Atmosphere Commercial Interiors. We had 9 students submitting entries for our Student Portfolio Competition in 2018 and hope to double that for this year. Looking for business professionals from a variety of tech schools/colleges/universities like last year's event. Planning to focus the event on project feedback, along with portfolio reviews.
- For the portfolio competition, each of the students will submit their portfolio to three professionals, giving them the opportunity to show their work. Ideally, the event expenses will be covered by sponsorships.
- SCHOLARSHIP Student Design Charrette
- The Speed Mentoring event was held on September 27th, 2018 at Fluid Interiors. The board decided to replace it in 2019 with a more interactive event for the students (charrette style) to be held on November 15th. The event will continue to focus on exposing students to industry professionals on a more individual level, but also tie in design practices in real time. We will research some successful charrette programs from around the country before implementing. A charrette is an essential exercise because it gives students the opportunity to work with other students and professionals they likely haven't met before and apply what they've learned in school to produce a practical design solution.
- This will also be an important reminder for the students to enrol in the Student Scholarship application process.
- SCHOLARSHIP Scholarship Awards
- We awarded three scholarships this year at the In The Spirit Awards held at Top Golf on December 5, 2018. First place was Gwen Northey from the University of Wisconsin-Stout in the amount of \$3500, Second place was Kendra Bastian from Iowa State University (\$2500), and Third place went to Rachel Springman from the University of Minnesota (\$2000). Again, hoping to increase the number of candidate's in 2019 and present them again at In the Spirit Awards Event on December 10th, 2019.

past dues list with the entire board expanding the reach of our membership team to include the entire board. We will also continue to include Membership Tables at each event.

### PROGRAMMING

Very excited to get programming started off with a bang! We are planning to have our first Hotel Tour in Seattle in April 18th and have secured Embassy Suites Pioneer Square for the event. We plan to continue to add Membership as a component to these event and excited to grow our membership through our planned events. Looking forward to learning a ton at the conference and bring some new ideas to the chapter. DEVELOPMENT: Savor, our most anticipated event, will be held at a new venue that will be determined by mid-January. We will then begin seeking sponsorships and auction items for this event as well. As Programming Director 2018 I was inspired by Fundraising's Google Doc that kept Savor organized. I created a similar document for programming events that organizes the committee and delineates jobs and processes pretty clearly. Not only will this help Denise (2019 Programming) and committees but also help me ensure programming events are on track by having access to this document in our Google drive. This will also make it easier to look back at the event and see all of the details pretty easily.

### SCHOLARSHIP

Erica and I are very excited to be our chapters Co-Directors for Scholarship in 2019! We are looking forward to building our committee and are looking to include judges from all regions of our chapter. To promote the scholarship, we will be planning 2 student events, one in Eastern Washington and one in Western Washington, graciously hosted by RFM. Last year, our former Scholarship Co-Director, Sandra Brumbaugh recruited 3 Student Ambassadors along with the former scholarship winners (Student Liaisons). We are hoping that they will be willing to help promote the scholarship at their schools.

### FUNDRAISING

We are kicking off 2019 ahead of the game, learning from past years and figuring out where we can improve. One our main goals was to have our annual sponsors nailed down by the end of January. We did have our forms ready to go by end of year and are working

diligently to hold onto our loyal annual sponsors and garner new sponsors as well, including more business chapter sponsors. We have also offered more cost effective options in hopes to bring in more money that can be put toward programming in order to lessen the burden of seeking sponsors for 2020 (October/November) when marketing budgets are being worked out. We will also have a more general event sponsorship opportunity form distributed by the end of January for those vendors who would like to participate in specific events. They will be able to sign on a sponsor asap.

### **OTHER CHAPTER HIGHLIGHTS**

MARKETING: Fourth guarter for the marketing team has been successful. Not as many graphics requests as last quarter which has been a nice break. There has been some buzz about having Instagram/Facebook take-overs in the future and we are making an effort to add events to our Instagram story. Most recently we saved the PDX fall tour to our stories and it is a nice resource for event reflection and it has received more reviews then our typical post received likes. The Instagram following is continuing to grow, we are now at 440 followers and continue to be active seeking more! Public Relations has done a great job in getting announcements and new projects into the magazine. We are looking forward to another great year and making some tweaks to have a more effective and productive marketing team. DEVELOPMENT: I'm looking forward to working with community service this year to see how we can come up with new, fresh ways to make an impact as a board

### **CHAPTER/REGION GOAL**

We are hoping that the addition of a lower Annual Sponsorship level will ensure that we secure more Annual Sponsorship funds which will make fundraising for each event less stressful and allow us to focus more on content and execution.

### MEMBERSHIP

Heather Giordano joined NEWH and was voted in as our Membership Director mid-year 2018 to fill a long standing void. Our membership effort has been focused on reaching out to nonmember designers, hosting tours and/or events at their recent projects with hopes of converting them into members. We have experienced new vendor members as a result. Currently membership is at an all-time high. We plan to continue efforts to inform designers of the benefits NEWH has to offer as well as making connections with the local Greater Pittsburgh Hotel Association and Pennsylvania Restaurant and Lodging Association to capture interest from the hotel management and culinary professionals with hopes of growing membership.

### PROGRAMMING

2018 was a busy year of exciting networking and tour events that included: Wigle Whiskey, Federal Galley, Social House, Towle Place, Hotel Indigo & Holiday Mixer at Olive or Twist. We hosted our 2nd Scholarship & Award Gala on January 25, 2019. Our programming efforts will continue to focus on tour events of new hospitality and restaurant venues for 2019. A concentrated effort will be made to create a Programming Committee to work under the direction of Joy Van de Velde, Programming Director.

### MEMBERSHIP

We will implement a "buddy program" to pair a board member with each new chapter member to help new members feel welcomed and immediately integrated into our chapter. We will implement a new nametag system at events for all attending new members. Each new member will have a special nametag waiting at the door that is color coded so that the entire board can easily identify and welcome each of them. We will implement new processes around member retention and outreach to recently lapsed or past members to understand why they may have left, and hopefully have them rejoin our Chapter; as well as take these learning into consideration for further strategic planning. We hope to expand design, architecture, and purchasing/procurement firm participation and membership through sponsorship opportunities as well as membership benefits directly benefiting these types of professionals. We will continue to coordinate with other professional organizations (IIDA, ASID, WID, etc.) to join with them in community events, to increase NEWH awareness and membership as well as avoid overlapping and/or duplicate programming for the industry as a whole.

### PROGRAMMING

We are excited to have two strong and eager Co-Chairs in the Programming function on our Board this year to further momentum around our Chapter's presence and reputation. We plan to approach programming with the intent to 'create a buzz' throughout the year by refining and reinventing existing program concepts where we see room for growth, as well as planning to tackle at least one larger programming efforts in conjunction with our regional tradeshow and to best support our growing Chapter. We plan to form smaller but more strategic planning Committees dedicated to Programming all events. We will task a Programming Co-Chair to specifically lead on coordinating with our Marketing Team to keep the website updated with events and dates much earlier in order to promote and allow for longer lead-time planning in hopes of driving higher attendance. Julie Zanella, our 2017 Scholarship Recipient, was voted in as our Scholarship Director mid-year 2018. Julie quickly rose to the challenge and along with Dina Caruso to quickly organize and manage our Fall 2018 Scholarship opportunity. We had nine submittals, a record high; and we were honored to award \$3000 Regional scholarships to two students (a design student and a culinary student) at our Gala on January 25, 2019.

## FUNDRAISING

We are currently working to develop an annual sponsorship program to reduce the effort of trying to find sponsors for each single event.

### **OTHER CHAPTER HIGHLIGHTS**

While the City of Pittsburgh continues to boom with major new developments announced, we hope to position ourselves for our second regional trade show in 2020.

## CHAPTER/REGION GOAL

Our primary goal is to entice more member involvement by building task oriented sub-committees to assist our board members.

### SCHOLARSHIP

Our board plans to award up to \$20,000 in scholarships this year. We do not have a prescriptive quantity of scholarships we plan to give away, but rather will interview and award the top most deserving candidates we identify through a detailed application review process.

### FUNDRAISING

Our Annual Sponsorship Menu has continued to be a very powerful tool for our chapter. It has proven itself to be a significant contribution both financially, and in terms of keeping our sponsors involved throughout the year. We have continued to refine the package based on the feedback we've received, and plan to release an "Early-bird Special" in Dec '18/Jan '19 that offers discounted pricing through February 2019. We have refined efforts around dedicated sponsorship outreach with increase and more intimate touch points for our Annual Sponsors throughout the year. We hope to drive increased interest in the Sponsorship Menu by continuing to highlight and celebrate these sponsors in big ways!

### **OTHER CHAPTER HIGHLIGHTS**

We are working to strengthen our chapter's Marketing Team with more dedicated strategic planning to create a vision for the content and execution over the entire year. We have continuing Student Representative on the Board for 2019 who is an incredible advocate and strong voice in driving student interest and involvement. We are encouraged by some recent and encouraging feedback from other chapters' members attending our 2018 end of year event and hope to further broaden our network of ideas and resources by getting/staying more connected with other Chapters. We had a lot of new interest in board positions this year and are thrilled and highly optimistic with both our continuing and new incoming board members for 2019!

### **CHAPTER/REGION GOAL**

We have a clear goal to implement new processes around member retention and outreach to recently lapsed or past members to understand why they may have left in order to better understand the current membership status, and strategically drive growth and retention throughout the year.

The second half of our day included free time touring downtown Healdsburg and later ending the day at Hotel Healdsburg more networking along with dessert, coffee, more wine tastings and announcing our raffle winners and hat contest winners. We encouraged people to make (and wear) hats for the Mad Hatter Hat Competition. We had around 40 people make the effort and some firms even came with themed team hats. It was fun! The UK continues to build on our membership and as of January 2019 we are at 116 members. Having broken the important 100 barrier at the end of last year we have set ourselves the goal of reaching 150 members in 2019. We have a very diverse membership made up of suppliers, designers, hoteliers, purchasing agents, and students, and this is reflected in our events which are drawing more people from the industry.

Whilst we continue to draw new members our biggest challenge is holding onto the members we already have and as a chapter we are keen to make that membership renewal process as smooth and easy as possible.

We have already sold out the Rosewood Hotel Tour and anticipate 150 people will attend our Top ID Event in February where we will recognize Goddard Littlefair, RPW Design, and HBA as the winners in the UK. They will each present the projects which won them the recognition.

As part of our strategy of raising the profile of the NEWH brand within the UK and Europe we exhibited at the Sleep Exhibition in London at the end of November, and below is a picture of the booth where we showcased the work that the students submitted as part of our Scholarship awards.

#### SCHOLARSHIP

Libby Bull (GA Design), our Scholarship Director, continues to drive the scholarships with a real passion and in addition to building the relationships with a greater number of design colleges she also looks to keep the relationships with past students who have been awarded scholarships. Libby is able supported in this area by Sarah Williams (Goddard Littlefair) and it is great that this is being spearheaded by two designers working for key hospitality design firms in London. Libby will be providing a new brief to a number of colleges so we can start the process of selecting the students deserving of a Scholarship award in 2019.

In addition, Libby will be pulling together a panel of industry experts to judge the students work which will take place in May with the awards given out at our Annual Fundraiser in June. We are looking at opening these up to more design colleges this year.

#### FUNDRAISING

Our Annual Fundraiser for 2019 will take place on June 13<sup>th</sup> 2019 at The Soho Hotel in central London. This is a Firmdale Hotel and the type that the design community want to see and experience. We will be holding our 2<sup>nd</sup> roundtable event following the success of our inaugural event last year, and this will take place in the late afternoon, prior to the Fundraising Event. We already have two sponsors in place for the Fundraiser, and have sent out e mails encouraging others to sponsor this successful event. year. We will be looking for a similar diverse array of hosts for the Roundtable Event that last year included Daniel Englender from Benjamin West, Elizabeth Lane from RPW, Caroline Cundall from IHG, Libby Bull from

GA Design, Maria Ashton from Hyatt Hotels, Laurie Woilung from Marriott Hotels, and David McCarthy from AD Associates.

#### **OTHER CHAPTER HIGHLIGHTS**

We are really pleased to share that we have two of our successful students, Leonardo Patane and Vincent Panratna, participating in the NEWH Leadership Conference in Miami in February, and hope they will get the opportunity to meet and mingle with industry figures so they can share their experiences and also gain insight into the industry.

The UK chapter has built a strong foundation and has a robust, diverse Board with a sustainable succession plan which will hopefully lead to continued success and growth in the future. All the key positions are filled for 2019 and we have a number of additional chair positions looking to support the chapter. Can Faik has joined the Board and as Editor of SPACE magazine is ensuring that NEWH UK continue to have prominence in the publication which enables us to gain the profile in the market.

In addition, we are looking at exploring the opportunities for an NEWH chapter in Europe and have now had two events in Paris, the first last November and more recently at the Maison et Objet exhibition in January. We need to understand how we can attract interest in the organisation as whilst France has the second largest design community in Europe after the UK the culture is different and evening networking is not high on the agenda.

#### **ISSUES THAT YOUR CHAPTER WOULD LIKE HELP WITH**

Raising our membership continues to be our number one focus as a chapter as it enables us to carry out more events and raise more money for scholarships. We need assistance in making the membership application and renewal system easier and simpler, plus attracting US suppliers and design firms to join as they look to opportunities in the UK and Europe.

Staff note: Regarding simplifying the application process, a person who is joining as a UK member will see a link to a PDF that is a shorter form than the UK online application. The information in the short form is the bare minimum of the information we need for processing an application. Since individuals do move around in the industry, we do ask for personal information so we have an alternate way of staying connected if their business information was not updated/forwarded to us.

drive at Hilton headquarters. We are excited to see the continued growth of the involvement of the local hospitality giants in our area. Membership is also continuing its focus on students attending the local Colleges & Universities. Membership will share the new NEWH Scholarship Video (introduced at the 2017 Leadership Conference) along with other information about NEWH. A committee was established which will focus on campus outreach and plan panel discussions at the local schools to reach out with professionals from design and hotel management.

We are excited to see our chapter continue to grow through its new and existing members!

#### SCHOLARSHIP

The NEWH Washington DC Chapter raises money throughout the year for student scholarships and provides FUNdraising events targeting industry insiders and NEWH members. Our goal for 2019 is continuing to provide \$100,000 in scholarships.

#### PROGRAMMING

The 2019 committee has planned an exciting variety of events for the upcoming year. We will start the year off with a Masquerade Ball (our membership drive), hotel tours, a culinary event and looking to include unique experiences for our members tapping into the various segments of our industry.

#### MARKETING

We are excited to continue our social media growth in 2019 with our Marketing Director.

We currently have 441 followers on Instagram, 454 followers on Facebook and engagement is up on both. We will continue to highlight Instagram takeovers with designers and local industry reps to help drive content and engage users to interact with us digitally

#### COMMUNITY OUTREACH

St. Ann's Multipurpose room renovation under way – in the process of finalizing donations to project for FF&E and construction. We are currently working on coordination for a community service work day where volunteers can come together to help execute on the designs that have been developed using the materials that have been donated!

#### FUNDRAISING

The NEWH GOLF TOURNAMENT, our chapters' signature fundraising event will take place on October 7, 2019.

We will also host a State of the Industry panel discussion, most likely tied into a hotel tour in the Spring featuring local developers, owners and Brands to talk about the hotel industry and what is on the horizon.

#### ISSUES THAT YOUR CHAPTER WOULD LIKE HELP WITH

- 1. Top ID Voting Criteria can we find a way to make it more design driven
- 2. Collaborations with outside groups how have other chapters made this work

How can we better coordinate the BrandEd programs with the local chapters and how can we handle sponsor rotation better, what is the process to request one in your area? Can a competitive brand come to this? How are the funds managed for these events? We were informed that funds would be shared with the Chapter towards scholarship – can we get transparency on these budgets? Staff note: Please contact the NEWH with your TopID criteria ideas to be passed on to the TopID committee. Please contact Debbie McKelvey at DebbieMcKelvey@bernhardt.com to discuss your BrandED questions/suggestions. Regarding collaborations, many board members will be active in one or more board or association and acts as liaison between the two. Think it would be good idea for a discussion on one of the discipline calls coming up.

# **TWELVE PRINCIPLES OF GOVERNANCE THAT POWER EXCEPTIONAL BOARDS**

Exceptional boards add significant value to their organizations, making a discernible difference in their advance on mission. Good governance requires the board to balance its role as an oversight body with its role as a force supporting the organization. The difference between *responsible* and *exceptional* boards lies in thoughtfulness and intentionality, action and engagement, knowledge and communication. The following twelve principles offer **chief executives** a description of an empowered board that is a strategic asset to be leveraged. They provide **board members** with a vision of what is possible and a way to add lasting value to the organization they lead.

#### **CONSTRUCTIVE PARTNERSHIP**

Exceptional boards govern in constructive partnership with the chief executive, recognizing that the effectiveness of the board and chief executive are interdependent. They build this partnership through trust, candor, respect, and honest communication.

#### **MISSION DRIVEN**

Exceptional boards shape and uphold the mission, articulate a compelling vision, and ensure the congruence between decisions and core values. They treat questions of mission, vision, and core values not as exercises to be done once, but as statements of crucial importance to be drilled down and folded into deliberations.

#### STRATEGIC THINKING

Exceptional boards allocate time to what matters most and continuously engage in strategic thinking to hone the organization's direction. They not only align agendas and goals with strategic priorities, but also use them for assessing the chief executive, driving meeting agendas, and shaping board recruitment.

#### **CULTURE OF INQUIRY**

Exceptional boards institutionalize a culture of inquiry, mutual respect, and constructive debate that leads to sound and shared decision making. They seek more information, question assumptions, and challenge conclusions so that they may advocate for solutions based on analysis.

#### **INDEPENDENT-MINDEDNESS**

Exceptional boards are independent-minded. They apply rigorous conflict-of-interest procedures, and their board members put the interests of the organization above all else when making decisions. They do not allow their votes to be unduly influenced by loyalty to the chief executive or by seniority, position, or reputation of fellow board members, staff, or donors.

#### ETHOS OF TRANSPARENCY

Exceptional boards promote an ethos of transparency by ensuring that donors, stakeholders, and interested members of the public have access to appropriate and accurate information regarding finances, operations, and results. They also extend transparency internally, ensuring that every board member has equal access to relevant materials when making decisions.

#### **COMPLIANCE WITH INTEGRITY**

Exceptional boards promote strong ethical values and disciplined compliance by establishing appropriate mechanisms for active oversight. They use these mechanisms, such as independent audits, to ensure accountability and sufficient controls; to deepen their understanding of the organization; and to reduce the risk of waste, fraud, and abuse.

#### SUSTAINING RESOURCES

Exceptional boards link bold visions and ambitious plans to financial support, expertise, and networks of influence. Linking budgeting to strategic planning, they approve activities that can be realistically financed with existing or attainable resources, while ensuring that the organization has the infrastructure and internal capacity it needs.

#### **RESULTS-ORIENTED**

Exceptional boards are results-oriented. They measure the organization's progress towards mission and evaluate the performance of major programs and services. They gauge efficiency, effectiveness, and impact, while simultaneously assessing the quality of service delivery, integrating benchmarks against peers, and calculating return on investment.

#### **INTENTIONAL BOARD PRACTICES**

Exceptional boards purposefully structure themselves to fulfill essential governance duties and to support organizational priorities. Making governance intentional, not incident al, exceptional boards invest in structures and practices that can be thoughtfully adapted to changing circumstances.

#### **CONTINUOUS LEARNING**

Exceptional boards embrace the qualities of a continuous learning organization, evaluating their own performance and assessing the value they add to the organization. They embed learning opportunities into routine governance work and in activities outside of the boardroom.

#### **REVITALIZATION**

Exceptional boards energize themselves through planned turnover, thoughtful recruitment, and inclusiveness. They see the correlation between mission, strategy, and board composition, and they understand the importance of fresh perspectives and the risks of closed groups. They revitalize themselves through diversity of experience and through continuous recruitment.

NEWH/(chapter) – (year)

# What is a Chapter Business Plan?

A chapter business plan helps to ensure your chapter's success. And, as the blueprint for your chapter, a chapter business plan is a critical element because it showcases your chapter's vision, board structure, calendar, financial projections, and goals.

The chapter business plan outlines the operating framework of your chapter by detailing who you are, what are your plans/goals, and how you will generate proceeds for NEWH's mission of scholarship and education.

# **CHECK LIST**

*Required* - these items **must** be submitted to the NEWH, Inc. office:

### **D** Board of Directors/Chairs

*NEWH has a list of your nominated board – please submit any chairs appointed by the board by January 31<sup>st</sup> – and as additional chairs are appointed, or any board changes occur throughout the year* 

### **Chapter Event Calendar**

*Calendar will be posted on the NEWH website – specific calendar dates will be added to the event calendar. Calendar should be submitted by January 31<sup>st</sup>* 

# □ Chapter Budget

Submit an approved budget to NEWH Inc. by the end of February – please contact the NEWH office for any resources you may need (past budgets, budget template, etc.)

The following pages can be used as a template to submit the required items.

# Other Helpful Items to include in your Chapter Business Plan

# Written Goals:

Ask each director/chair to write 2-3 goals they'd like to complete for the year. These goals will be the starting point for board discussion and planning throughout the year.

Here are a few examples:

- Your membership director has a goal to get more students members involved in your events. This goal should be shared with the chapter programming director and the scholarship director to ensure that one of your chapter programs planned includes student involvement (i.e. portfolio review, mentoring event, etc.)
- Your scholarship director has a goal to increase the amount of student scholarship applications received. This goal should be shared with your board and a plan should be put into place for chapter members to visit local schools, or contact schools in your surrounding area, to speak to students about NEWH's scholarship opportunities.
- Your VP/Development has a goal to increase the number of committee members in your chapter. This goal could be shared with your membership director and other board members to formulate a plan to reach out to current members, and new members, to find out members' interest to be involved and asking them to volunteer.

# SWOT Analysis:

Conduct a SWOT analysis with your board – this is helpful to refer to throughout the year, as well as when conducting strategic planning in future years to gauge how your chapter addressed weaknesses, opportunities, etc.

- S Strengths
- W Weaknesses
- 0 Opportunities
- T Threats

Internal Factors (things you have control over)

# Calendar of Events

Chapters are encouraged to form their calendar prior to the year beginning. Submit your Chapter Calendar to the NEWH Office no later than January 31st of each year.

**Programming/Networking Events:** Chapters are not required to hold an event each month. When putting together your calendar for the year, the key is to remember quality vs quantity. Instead of struggling to put on an event every month, plan 3-4 great programming events for the year (tours, speakers, panels, CEUs, etc.) that are of high value to designers, manufacturers, and students – and in between those events, do more low-key happy hour/sundowner type events. A program's mission is to develop relationships and build membership in a more business type setting.

Think about the event – is it an event you don't want to miss, or is it more of a casual networking event that may not be as beneficial to you? Focus on what your members are going to be attracted to, especially venues – whether it's a newly opened or remodeled hotel, new restaurants, etc. Invite those involved in the project to speak.

**Fundraising Event**: Remember, chapters are required to hold at least one fundraising event per year – this is your FUN event. A FUNdraiser's purpose is to raise money for NEWH's mission of Scholarship & Education. **Board Meetings**: Chapters are required to hold at least 10 Board of Directors Meetings per year.

### **Thoughts from a New Member**

I see you at the meetings, but you never say hello. You're busy all the time you're there with those you really know. I sit among the members, yet I'm a lonely gal. The new ones feel as strange as I; the old ones pass us by. Darn it, you folks urged us to join and talked of fellowship, You could just cross the room, you know, but you never make the trip. Can't you just nod your head and smile or stop and shake a hand, get over your mom's good intentions. Then go sit among your friends? Now that I'd understand. I'll be at your next meeting, and hope that you will spend The time to introduce yourself, I joined to be your friend

Thank you to Angela Reed for sending us this poem
