

# NEWH Fundraising Call September 14, 2016

Invited participants:  
Chapter Presidents, Chapter VPs/Development, and Fundraising Directors

## Chapter Status Report

**San Francisco** Wine by Design – major changes this year – will be doing late afternoon dinner event. (normally lunch/picnic) Cost is doubled because of that, but they are excited to see how people react to it. Reception style tasting with snacks at first venue 1-2 hours (and will have raffle where people pick what they want from the raffle items). 2<sup>nd</sup> venue, light hors d' oeuvres) and then end with full dinner at a castle type setting winery and vineyard.

Suggestion to maybe work in some kind of design element (wine and art or something similar – maybe wine label design competition or something like that).

Will do survey afterwards to see how participants like this and gather comments.

Suggested the chapter does a how-to book, not only to pass on to their chapter successors but for other chapters to possibly use for ideas in generating their own local event.

They are holding 2<sup>nd</sup> fundraiser – a scholarship gala – November 30, and have in-house board training on October 16<sup>th</sup>.

## Chicago

Summer social - just filled up all the sponsorships – had a few extras come in. also have Oct bootleggers FR as well coming up and are working on invite now.
