 **HOSPY**  
AWARDS

The NEWH Las Vegas HOSPY Awards has gained national recognition as one of the most sought after annual fundraising events in the hospitality industry. Each year, the best in hospitality design projects compete to receive a prestigious HOSPY Award. Our chapter is fortunate to reside in the hospitality capital of the world and the HOSPY's allow us the perfect opportunity to recognize deserving firms that have changed the skyline of Las Vegas, and other cities around the globe. In addition to the design competition, deserving icons in our local industry are awarded a HOSPY Industry Achievement Award. This award recognizes their contributions of shaping Las Vegas, and their philanthropic efforts impacting our community.

The HOSPY Awards is the main fundraiser for NEWH Las Vegas, with proceeds funding NEWH's mission of scholarship and education. It is a true gift to be able to honor the talent of today, while raising money for the talent of tomorrow.

Each sponsor will receive special recognition. Each sponsor's logo will be on a continual loop, displayed on the screens during the evening, grouped according to sponsorship level. All Sponsors will have prominent name placement with their sponsored element of the evening (as noted below). VIP Seating is included to select sponsorship levels (as noted below).

Please furnish social media handles for tagging purposes.
