

CHAPTER MESSAGE

Welcome, Welcome, Welcome!

The NEWH North Central chapter is thrilled to be hosting our regional tradeshow again. We are delighted to welcome each of you and hope you take full advantage of everything this show has to offer. It is such a joy to see our industry come together and rekindle friendships, learn about all of the new products and opportunities in our marketplace, and share the ideas that shape our industry. The past few years have been challenging but our industry has bounced back strong. I am so proud of the way our NEWH family pulls together during difficult times and then shows up to celebrate our resilience and success.

Each year the North Central board puts together events to educate and inspire our members. 2023 has been exciting and busy but it isn't over yet! On October 25th we will hold our third annual Masquerade Ball. This is a fundraising event when we will reveal and celebrate our 2023 TopID winners. Don't wait to sign up, this is the most popular event of the year! December 7th will be our "In the Spirit" event when we will celebrate our scholarship winners in a festive holiday atmosphere. Each year North Central Chapter awards scholarships to deserving students, to support their education. - they are the future of our industry. This year we will award a total of \$15,000. Event information will be sent by e-blast and social media and on NEWH.org website. If you don't already follow our chapter on FaceBook and Instagram, I hope you will consider following us. It's a great way to stay connected.

On behalf of the NEWH North Central Chapter, thank you to our chapter members, sponsors, and industry partners for your hard work, dedication, and continued support. You make it possible for our community to thrive, lean, grow, and support our future though our scholarship program. You are all vital to our continued success and we are grateful.

A special thank you to all of those exhibiting this year. We are excited to see what you have to show us. Enjoy the show everyone. See you on the trade show floor.
