EDUCATION

● Savannah College of Art and Design (SCAD)

Present, (Graduation: 2024)

Interior Design

Master of Fine Arts

Major Courses: Spatial Planning, Materials and Construction, Lighting.

Honors: Awarded \$29,000 scholarship during the graduate program.

● Hunan Agricultural University

2017-2021

Landscape Architecture

Bachelor of Engineering

Major Courses: Landscape Design, Plant Configuration, Environmental Engineering.

Honors: Outstanding Graduate.

AWARDS AND HONORS

IIDA Best of Best Awards

Winner, Dine Play Stay Category, 2024

SKILLS & ABILITIES

Software:

Revit
SketchUp
Photoshop
InDesign
AutoCAD
Rhino
Enscape
Lumion

Design:

Concept
Sketching
Hand Modeling
3D Modeling
Drawing
Rendering
FF&E Selection

EXPERIENCE

● YUHO Creation Design | Changsha, CHN

Intern, Interior Design

June - Sep 2023

- **Design Development:** Modeled spatial details using SketchUp, assisted in creating elevation and detail construction drawings using AutoCAD, collaborated in selecting furnishings and preparing FF&E tables.
- **Communication and Presentation:** Explored client requirements in-depth, created proposal presentations, rendering plans, and analysis diagrams to assist senior designers in increasing project approval rates.
- **Construction Delivery:** Coordinated with construction teams on-site, provided feedback for modifications, ensuring seamless integration of design.

● CCI Engineering and Technology Corporation | Beijing

Intern, Landscape Design

Jan-May 2021

- Contributed to the Chongqing Youyang Iris Glass Skywalk project, optimizing spatial planning and material selection to enhance the aesthetic and functional value of a 385-square-meter area.
- **Detail Design:** Assisted in green space planning using AutoCAD.
- **Visualizations:** Produced renderings for overall planning using Lumion and Photoshop.
- **Team Collaboration:** Engaged in design reviews, provided constructive feedback, and collaborated cross-functionally with structural engineers to ensure designs met safety standards.

● Excellent Software Training Center | Changsha, CHN

Photoshop Instructor

Feb-Aug 2020

- Conducted direct teaching of Photoshop software to 85 students, leading a team of 6 teaching assistants.
- Provided foundational tools, operational instruction, and case study demonstrations.
- Incorporated over a decade of personal software experience for regular evaluations and feedback.
- Achieved an average student satisfaction rate of 95%, with significant skill improvement demonstrated upon course completion.

SELF-EVALUATION

- **Innovation and Detail:** Innovative thinker with a focus on detail, successful in assisting design and creating high-quality renderings.
- **Expression and Communication:** Distinctive expression of ideas, adept at highlighting key points, and efficient communication skills.
- **Brand Promotion and Influence:** Over 120,000 followers on social media, skilled in integrating fashion and aesthetic elements into interior design, strengthening brand influence.
