## Summary

An ambitious and licensed Interior Designer that promotes sustainable design and practices LEED principles. Well versed in hospitality design with over 7 years' experience, she wishes to broaden her knowledge with mixed use and commercial design. Has experience working in a design firm setting as well as contract work.

## Experience

- Gensler 05/18 – Present
  - Collaborate in small and large project teams through all phases of design work with drafting software and presentation software.
  - Present and travel for client presentations.
  - Guide and mentor newer design staff through the projects process.
  - Lead community impact team for our Houston office engagement.
  - Lead education FF&E and spec classes to educate the newer designers.
- MCS Architects, LLC. 02/15 – 05/18
  - Coordinated projects efficiently from start to finish
  - Researched regions/local aesthetics to create design concepts unique to the building being constructed.
  - Worked on both remodel and new construction.
- Studio DW 05/13 – 02/15
  - Worked alongside the Principal and Lead Designers to create and implement design concepts.
  - Organized and maintained the resource library and kept trends current.
  - Wrote and reviewed specifications
  - Created physical and digital design boards

## Education

- Art Institute of Houston 2010-2013
  - BFA – Interior Design
