## Employment History

### Interior Designer, CRD Associates, New York, NY

MAY 2019 – SEPTEMBER 2019

- Designed floor plans, ceiling plans, custom millwork, lighting fixtures, elevations, and sections.
- Produced high-resolution 3D renderings.
- Led interior design across conceptual, schematic, design development and construction document phases.
- Designed material boards for review and presentations.
- Created strong graphic presentations to communicate design intent.
- Reviewed submittal data on proposed materials and equipment to conform with contract and specification requirements.
- Participated in FFF&E selections, showroom visits and documentation of specifications.
- Interfaced effectively with design team members, including vendors and contractors by phone, email and in-person.
- Generated estimates and invoices for projects, placed orders
- Completed site surveys to create as-built drawings and working floor plans

### Interior Design Intern , Benchmark Design & Build, NJ

SEPTEMBER 2018 – APRIL 2019

- Designed 3D perspective views, plans and elevations, custom furnishings, and material boards for client presentations.
- Assisted the lead designer with day-to-day tasks.
- Presented the lead designer with a variety of options for color schemes for clients, decorative accessories and furniture.
- Assisted with project management and administrative tasks.
- Managed social media accounts and customized branding.
- Visited construction sites, gathered spatial measurements and assisted with installations.
